Hi

Thank you for supporting Likhaera <3
Every keepsake we create carries a piece of
our passion from a simple idea to something
made just for you.

It brings us great joy and excitement to
imagine our creation being carried with you
whether displayed on your bag or becoming
part of your personal style. Seeing our pieces
out in the world, appreciated and cherished,
means so much to us.

If you share your keepsake, don't forget to
tag us @Likhaera. We'd love to see it in your
hands.

With love,
Likhaera
